PROFILE SUMMARY

As a BCA graduate with a passion for technology and programming, I am eager to leverage my skills and knowledge to contribute effectively to a dynamic and innovative team. With a strong foundation in programming languages, problem-solving abilities, and hands-on experience as a Web Developer Intern, I am enthusiastic about applying my expertise to real-world projects and exploring the ever-evolving field of computer applications

EDUCATION

Mahatma Ghandhi University Kottyam   *2021- 2024*
- Bachelor of Computer Applications

WORK EXPERIENCE

Web Developer Intern | Luminar Technolab Kochi   *2024- PRESENT*
- Build and maintain websites with a focus on user experience and functionality
- Work with a team to ensure smooth integration of design and development

PROJECTS

Connect Hub – Public Chatting Website

Connect Hub is an online platform designed to unite artists from various backgrounds, fostering global connections and collaborations. Artists create personalized profiles, connect based on shared interests, and manage projects in dedicated rooms. The platform offers secure authentication, direct messaging, and showcases for artists to display their work. With a responsive design, it supports inclusivity and participation across all devices, enabling a vibrant, collaborative community.

Turf Booking Website

Developed a user-friendly Turf Booking System using PHP, HTML, JavaScript, and MySQL, featuring easy booking, secure authentication, and administrative reporting. Improved user experience, optimized resource utilization, and streamlined operations.
